EUROPEAN SOCIETY FOR HEMAPHERESIS
20th CONGRESS

2018
13TH / 14TH JUNE
VALENCIA
HOSPITAL LA FE

European Society for
Hemapheresis

Dear Colleagues,

On Behalf of the Scientific and Local Organizing Committees, it is our pleasure to invite you to the upcoming Congress of the European Society for Haemapheresis taking place in Valencia, Spain from June 13th to June 14th, 2018.

The meeting will cover relevant aspects regarding clinical, technical and quality management, as well as novel research areas in apheresis and transfusion medicine. Topics discussed in this meeting will include extracorporeal photochemotherapy, plasmapheresis and self-sufficiency in Europe, ultrasounds and peripheral venous access, CAR-T cell therapies, poor mobilizers management, pathogen inactivation technologies, immunoabsorption and thrombotic microangiopathies.

Further, we are happy to offer you the opportunity to visit Valencia, where you could find a perfect combination of tradition and modernity. Located in the East of Spain, on the shores of the Mediterranean Sea, the city has a unique charm and is one of the cities in Europe that has experienced the most significant growth over recent years in terms of events and international recognition. This is due to the renovation of the historical city center and the creation of new cultural and environmental sites such as the City of Arts and Sciences and the Oceanographic Marine Park. Valencia has mild weather all year long with more than 300 days of sunshine per year, more than 20 km of beaches, a varied gastronomy and the home of the paella. The meeting will take place in Hospital La Fe of Valencia, one of the biggest health centers in Spain,

We look forward to seeing you in Valencia!

Nelly Carpio

Chair of the Local Organizing Committee
